**I am writing out of concern regarding the request/
motion by the accused to have a Jury Trial and to have it
moved to Laredo, TX.**

**I feel that justice will not be served by doing so because
Henry Cuellar is a native of Laredo, TX and most all of
the people there Love, Love, Love him and think he could
not do wrong. They also love his wife Imelda. Of course
they know this and that's why they want the Trial moved
there. It would be a very biased jury in his favor.**

I think it should be kept in Houston, TX.

**If you want to grant him a jury Trial I see no harm in that
as long as it is keep in Houston, TX .**

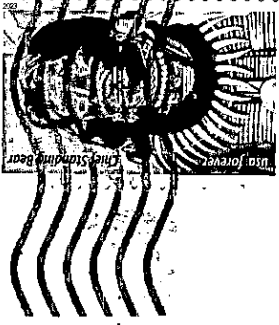

**If you move it to Laredo, TX then your entire case was
for nothing because I assure you the people on a jury in
Laredo will find him & his wife innocent to matter what
evidence you present.**

Sincerely,**A Concerned Citizen***S. Eddo*
